Rede Advisers entered a team in the annual Corporate Challenge held on 6th November 2013. The team consisted of Michael, Steve, Jasmine and Julie together with colleagues from HFK, Chartered Accountants.

This was the 20th Anniversary of this event – a 5km run / jog / walk around the beautiful surroundings of Hagley Park. This event is designed for business professionals and dedicated to good health, fitness and wellbeing.

It was a great evening which turned out to be very successful. Rede Stampede collected the top male and top female teams in the financial division. Below is a photo of our team together with our awards.
